

USEA AREA II YRAP EVENT CAMP 2012

On behalf of the USEA Area II Young Rider Advancement Program and its coordinator, Chris Donovan, Sandy River Equestrian Center, located in Axton, VA is proud to host an Event Camp for members of this program. The SREC YRAP Event Camp will be held the week of

July 8 – 13, 2012

This camp is open to young riders skilled at the levels of Beginner Novice through Training and who are members of the Area II Young Rider Advancement Program. Lessons will be taught by Suzanne Lacy and Samantha Henley and will include mounted lessons in dressage, cross-country jumping, and show jumping. Camp will consist of two (2) riding sessions, once in the morning and then again in the afternoon; therefore, proper fitness and conditioning is required for both horse and rider attending this camp. Unmounted instruction will include discussions about equine fitness, equine nutrition, grooming, braiding, the use of studs and much more.

A camp fee of \$800.00 is required and will include instruction, stabling, lodging and meals. There is a limit of ten (10) riders per camp and arrival should be by 5 PM on Sunday. There will be an informal gathering for introductions and a tour of the facility followed by dinner.

We look forward to a fabulous event camp at SREC!
